February 26, 2011

**SUMMARY OF BILL:** Adds “rock climbing facility” to the list of acceptable sporting facilities within the recreational area of an existing Blount County premier tourist resort facility authorized to serve liquor-by-the-drink.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- This bill applies to Laurel Valley Golf Course which is currently authorized to sell liquor-by-the-drink.
- The Laurel Valley Golf Course establishment currently maintains at least one of three enumerated sporting facilities within its recreational area.
